EXPERIENCE

Internship as a Front-End Developer at Earn N Learn Technologies – Aug '24 to Nov '24

As a Front-End Developer intern at Earn N Learn Technologies (Aug - Nov 2024), I developed responsive web interfaces, collaborated with design and backend teams, and optimized user experience. This role enhanced my skills in HTML, CSS, and JavaScript, and provided key insights into industry-standard practices.

EDUCATION

St. Xavier's College , Burdwan

Bachelor of Computer Application (Hons)
2021-24

Alliance University , Bengaluru

Master of Computer Application
2024-26
